EDUCATION

Zphs Dornipadu

Secondary school Education (SSC)

CGPA: 10

Dornipadu, Nandyal dsit

June 2018 - March 2019

IIIT RGUKT RK VALLEY

Pre University Course (MPC)

CGPA: 9.6

Idupulapaya, Kadapa dist

July 2019 - June 2021

IIIT RGUKT RK VALLEY

Computer Science Engineering (B-Tech)

CGPA: 8.6

Idupulapaya, kadapa dist

July 2021 - May 2025

SKILLS

Programming Languages: Java, python

Libraries/Frameworks: Javascript, Html, Css, Bootstrap, Reactjs, Nodejs, Express js

Tools / Platforms: Github

Databases: SQL, PHP, MYSQL, MongoDB

PROJECTS / OPEN-SOURCE

WeatherHub | [Link](#)

Html, Css, JavaScript, Bootstrap, PHP, MYSQL

- Created Weather Hub, a dynamic web application utilizing Rapid API for live weather data retrieval
- Featuring multiple pages and styled them using Bootstrap for improved user interface.

CureConnect - Online Doctor Appointment | [Link](#)

MongoDB, Express.js, React.js, Node.js, Tailwind

CSS

- Developed "CureConnect," an efficient MERN stack-based online healthcare platform enabling patient registrations, doctor profile management, appointment scheduling, and real-time booking confirmations.
- Designed patient, doctor, and admin modules for managing appointments, schedules, and records, with secure JWT authentication, Tailwind CSS for responsive design, and MongoDB for scalable data management.

Campus Placement Prediction | [Link](#)

python, matplotlib, seaborn, tkinter, Scikit-learn

- Developed a machine learning model to predict the likelihood of campus placement status based on their academic, personal and technical skills
- Implemented algorithms such as Random Forest, Decision Trees, Logistic Regression, and K-Nearest Neighbors (KNN) to evaluate and optimize predictive accuracy.

CERTIFICATIONS

- The Complete 2024 Web Development Bootcamp - **Udemy**
- Java and PHP Complete course - **Udemy**
- Sql Basic Certificate - **HackerRank**
- Python Basic Certificate - **HackerRank**
- Java Basic Certificate - **HackerRank**
- Data science and AIML Internship - **YBI foundation**

HONORS & AWARDS

- I received 5 star badge by problem solving through java and sql in HackerRank
- Certified in Data Science and Machine learning Internship provided by YBi foundation
- Honored with Prathiba Award in SSC Results for excellence performance
